DIPS

We've taken some of our most successful products, such as Artichoke Hearts, Eggplant, Roasted Red Peppers, Sun-Dried Tomatoes, and blended each one with just the right amount of herbs and spices to create a delicious selection of five distinctive dips.

Packed in wide mouth glass jars, each dip reflects the unique taste that has made Victoria products so successful. All natural, fresh ingredients such as pure Italian extra virgin olive oil, celery, carrots, canola oil, garlic, peppers, and wine vinegar are used to create these tasty products.

Salsa isn't the only answer when you're looking for an exciting dip sensation.
